

Dear ACC New York City Chapter Members,

The ACC New York City Chapter is monitoring the evolving situation regarding the coronavirus pandemic. In accordance with the CDC and New York State guidelines to avoid gatherings of over 10 people or more to help ensure the safety of our members, sponsors and community, we are postponing the Ethics Marathon currently scheduled for April 21, 2020 (new date forthcoming) and all in-person learning in April 2020.

In an effort to continue bringing you quality programming in 2020, the Chapter is investigating web-based alternatives to livestream scheduled events, and we will continue to update you as we navigate the ongoing situation. Please be sure to monitor your inbox and [our website](#) for changes in our upcoming event schedule. Please note that due to the rapidly changing situation, additional upcoming events may be postponed or altered.

We would like to thank our members, sponsors and the legal community for their flexibility and support during this challenging time and will do our part to ensure the health and safety of our members and sponsors.

Kind regards,

Amy Adams  
Executive Director, ACC-NYC
